# TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

**Honister Crag and Buttermere.** Buttermere, although small, being only 1¼ miles long by half a mile broad, presents an imposing picture owing to the surrounding mountains, foremost amongst which is Honister Crag, rising to a height of 1,500 feet, at the south of the lake. The upper part forms a picturesque precipice as shown in the picture.
